Madison-Kipp Officially Opens 90,000 s.f. Expansion in the Sun Prairie Business Park

Officials from the City of Sun Prairie, the Sun Prairie Chamber of Commerce, and Madison-Kipp Corporation (MKC) celebrated the official opening of a 90,000 s.f., \$3.5 million expansion project at their Sun Prairie Business Park location. The expansion will allow Madison-Kipp to house all of its Sun Prairie warehousing and manufacturing operations at one location. It also positions Madison-Kipp for additional products for both domestic and foreign customers.

The expanded facility opened less than 8 months from the groundbreaking.

MKC President Tony Koblinski thanked officials from the City of Sun Prairie, developer John Schaefer and CSI Construction, and his employees for all their work to help make the expansion a reality. He released the following statement:

"I am extremely pleased and proud to celebrate the essential completion of our Sun Prairie facility today. I want to thank the city officials from Mayor Paul Esser, members of the City Council and City staff for their support for this project since its inception. We enjoy our relationship with the City of Sun Prairie and are pleased to be growing our footprint here."

John Shaffer and his team from CSI have constructed 90,000 sf of beautiful manufacturing space that we look forward to utilizing as we continue to grow our business and serve our customers.

I want to thank most importantly, the men and women of Madison-Kipp Corp who continue to work with great skill and commitment to ensure the phrase 'Made in Wisconsin' is something that we can always be proud of."

Mayor Paul Esser commented how impressed he was with the facility.

"I want to thank Tony Koblinski and Madison-Kipp Corporation for their continued investment in Sun Prairie, and for being one of our top corporate citizens. I am excited

to know that this facility is being positioned for even bigger and better things in the years to come. I also want to thank John Schaefer and CSI Construction for all their hard work in getting this amazing facility done as fast as they did.”

Sun Prairie’s Director of Economic Development released the following statement:

“This expansion was made possible through the cooperation of a great company, and a great developer. The City of Sun Prairie and Sun Prairie Utilities are grateful for Madison-Kipp’s decision to reinvest and grow here. We look forward to continuing to work with Madison-Kipp officials to do whatever we can to help make sure they are a successful part of this community and the Sun Prairie Business Park for a long time to come.”
