

## ABOUT US

Trive Capital is a Dallas, Texas based private equity firm managing over \$2 billion in capital. Trive focuses on investing in what it sees as strategically viable middle-market companies with the potential for transformational upside through operational improvement. We seek to maximize returns through a hands-on partnership that calls for identifying and implementing value creation ideas.

The Trive team is comprised of seasoned investment professionals who have been involved in over 70 middle-market transactions representing in excess of \$5 billion in revenue across Trive's targeted industry sectors and situations.

## WHY TRIVE?

### Excel in Complex Situations

Trive seeks opportunities in complex situations, including family-owned businesses, corporate carve-outs, and distressed transactions, in which speed and certainty to close may be a priority. The firm's professionals have considerable experience structuring, financing, and closing middle-market transactions in unique circumstances.

### Value-Added Partner

The Trive professionals invest with an operational mindset. The team has extensive operational backgrounds and aims to serve as a collaborative partner and value-added resource to management teams. While every situation is different, the Trive team often takes an active role in developing and implementing the operational strategy. In addition, the firm has a large network of operators in a number of industries that can serve as a further source of guidance.

### Avoid Excessive Risk Taking

Trive strives to create value in investments through developing and implementing a shared strategic vision on how to maximize business potential. In doing so, the firm builds value through time-tested operational best practices and prudent capital deployment without relying on excessive amounts of leverage or unnecessary business risk.
